

## AEROCASE® – RBVM1C | AEROCASE® – SEG XL

Dear Distribution Partners,

We are glad to inform you that we are changing our **AEROCASE® – RBVM1C Emergency Bag** of the 1R series from polyester to the extra robust tarpaulin material with immediate effect. Also, the plastic insert will be omitted and replaced by a tarpaulin division! We would also like to introduce the **AEROCASE® – SEG Emergency Backpack**, which will soon expand our EMS series!

### AEROCASE® – RBVM1C of the **1R** Series - Soon available in Tarpaulin
